Dear Principal

This letter serves as an introduction to **TLC** and **Tots in Teams** and confirms that Physical Education is part of the holistic development of children; and forms part of the CAPS curriculum as set out by the Department of Education Foundation Phase.

Tots in Teams is a service provider of Physical Education and will be of great value to your school and the children in terms of mastering the skills associated with this integral part of the programme.

Teachers Learning Centre (TLC) offer full qualifications for teachers and educators; from NQF L4, NQF L5 and Grade R certificates, in the field of further education and training.

TLC have hosted some CAPS training for Grade R teachers working in private nursery schools and our next workshop will take place in **August 2012**.

Please feel free to make contact with the **Teachers Learning Centre on 011 432 6189** or Lorraine Patterson on **082 931 8679** for any queries regarding formal training or skills development programmes.

To contact **Tots in Teams** for your Physical Education needs and a demonstration, liaise directly with

Ingrid 084 580 9141

With thanks
